Description :

Prsentation de l'diteurThis is a book in two parts. Part one is a history of the band, largely told by band members themselves Maartin Allcock , Mick Abrahams, Martin Barre, Clive Bunker, Glenn Cornick, John Evans, Andy Giddings. Jeffrey Hammond, Dave Pegg, Doane Perry, and, of course, Ian Anderson. Author Brian Rabey really did have access all areas for this work. He made good use of it as well, often relating the same story (for example, how Martin Barre came to join Tull) but from different people's viewpoints. Part two, is devoted to the thoughts of Ian Anderson, again largely told in the man's words, in interviews dating from their first encounter in the late 1970s to the present day. No stone is left unturned as Rabey explores

Anderson's views on everything from how he writes songs, the music business itself and even his family (which is quite a rare thing for Anderson to discuss). We even get Anderson's view on two other musical geniuses Captain Beefheart and Frank Zappa. As well an official foreword from publicist Anne Leighton, the book contains mini forewords from ex-band members (Abrahams, Barre, Bunker, Giddings, Hammond and Perry) which really add to the sense of fun (this is a serious book but, like the band itself, humour is never too far away).

Revue de presse 'A thorough overview of Tull's career which should keep diehard fans satisfied.' --Prog Magazine

Présentation de l'auteur This is a book in two parts. Part one is a history of the band, largely told by band members themselves Maartin Allcock, Mick Abrahams, Martin Barre, Clive Bunker, Glenn Cornick, John Evans, Andy Giddings, Jeffrey Hammond, Dave Pegg, Doane Perry, and, of course, Ian Anderson. Author Brian Rabey really did have access all areas for this work. He made good use of it as well, often relating the same story (for example, how Martin Barre came to join Tull) but from different people's viewpoints. Part two, is devoted to the thoughts of Ian Anderson, again largely told in the man's words, in interviews dating from their first encounter in the late 1970s to the present day. No stone is left unturned as Rabey explores Anderson's views on everything from how he writes songs, the music business itself and even his family (which is quite a rare thing for Anderson to discuss). We even get Anderson's view on two other musical geniuses Captain Beefheart and Frank Zappa. As well an official foreword from publicist Anne Leighton, the book contains mini forewords from ex-band members (Abrahams, Barre, Bunker, Giddings, Hammond and Perry) which really add to the sense of fun (this is a serious book but, like the band itself, humour is never too far away).
