Description :

Prsentation de l'diteurWe are such volatile creatures that we finally feel the sentiments we feign. First published in 1816, Adolphe is the story of a young man with all the privileges and advantages of a noble birth, bt who's still haunted by the meaninglessness of life. He seeks distraction in the pursuit of the beautiful, but older and married Ellenore, a fictionalized version of Madame de Stael. The young Adolphe, inexperienced in love, falls for her unexpectedly and falters under the burden of the illicit love. The Art of The Novella SeriesToo short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art Of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.Revue de presse"I wanted them all, even those I'd already read."Ron Rosenbaum, The New York Observer "Small wonders."Time Out London "[F]irst-rateastutely selected and attractively packagedindisputably great works."Adam Begley, The

New York Observer "I've always been haunted by Bartleby, the proto-slacker. But its the handsomely minimalist cover of the Melville House edition that gets me here, one of many in the small publishers fine 'Art of the Novella' series."The New Yorker "The Art of the Novella series is sort of an anti-Kindle. What these singular, distinctive titles celebrate is book-ness. They're slim enough to be portable but showy enough to be conspicuously consumed tiny little objects that demand to be loved for the commodities they are."KQED (NPR San Francisco) "Some like it short, and if you're one of them, Melville House, an independent publisher based in Brooklyn, has a line of books for you... elegant-looking paperback editions ...a good read in a small package."The Wall Street JournalPresentation de l'diteurWe are such volatile creatures that we finally feel the sentiments we feign.
