Description :

Prsentation de l'diteurWELCOME TO PRIVATE PARANORMAL INVESTIGATIONS A handpicked team trained to solve crimes the regular police cant touch crimes of magic My names Bonnie Torres. Recent college graduate, magic user and severely unemployed. Until I got a call out of nowhere to interview for a job I hadnt applied for. It seemed too good to be true but I needed the workTwo days later Im a Private Paranormal Investigator me and Nick, Sharon, Nifty and Pietr. Five twenty-somethings, thrown into an

entirely new career in forensic magic, answerable only to the evidence, the truth. The first job we get is a high-profile case proving that the deaths of two Talents were murder, not suicide. Worse, there are people who want us to close up shop and go away. Were sniffing out things they need to keep buried. Looks as if this job is going to get interesting. The only problem is, were making it up as we go along
