From the best-selling authors of the One-Block Wonders books. New techniques and design strategies using simple geometric shapes give you dramatic quilt imagery that seems to defy logic! Take the ordinary and turn it into something extraordinary with this book.Revue de presseLearn how to create interesting shadow effects with cleaver fabric placement and create optical illusions with your fabrics. Drawing from the inspirational designs of the artist M.C. Escher, the authors of this book have devised visual puzzles that engage the viewer by creating optical illusions with 'impossible' structures. Quite a complex reference but some stunning results which can be modified or

rearranged to suit the project plus the bonus projects include totes, coasters and place mats for using up left-over hexagons. --Fabrications (12/10)Prsentation de l'diteurAdd New Dimension to Your Favorite Hexagon Quilts.
