Description :

Prsentation de l'diteurLearn what financial advisors dont want you to know!Roberts rich dad often told him: The faster your money moves, the higher the returns and the lower your risk. Conventional financial wisdom recommends that you save money and invest for the long term. In other words: park your money.That was not rich dads advice. He taught Robert to increase the velocity of my money. And, even if you start small, its advice that anyone can follow and benefit from.
