Description :

Prsentation de l'diteurJ.R.R. Tolkiens fantasy story about the adventures of a bewitched toy dog, written before The Hobbit.While on holiday in 1925, four-year-old Michael Tolkien lost his beloved toy dog on the beach at Filey in Yorkshire. To console him, his father, J.R.R.Tolkien, improvised a story about Rover, a real dog who is magically transformed into a toy and is forced to seek out the wizard who wronged him in order to be returned to normal.This charming tale, peopled by a sand-sorcerer and a terrible dragon, by the king of the sea and the Man-in-the-Moon, was Tolkiens first full-length childrens book, written before The Hobbit. Now, nearly 90 years later, the adventures of Rover or, for reasons that become clear in the story,

Roverandom are published in this delightful pocket hardback edition. Rich in wit and wordplay,

Roverandom is edited and introduced by Tolkien experts Christina Scull and Wayne G. Hammond, and includes Tolkiens own delightful illustrations.Revue de presse"There's still no one quite like Tolkien, and

this utterly charming tale will please readers of all ages." School Library Journal
