## Description :

Prsentation de l'diteurOn Araylas wedding day, she receives a gifta glass vialfrom a mysterious woman. Curious, she unknowing activates the vial which transports her to a parallel dimension where she is guided by a man with unforgettable amber eyes. Soon after, Araylas life begins to take some interesting twists and turns, traveling between timelines, continents and dimensions. Is her role to ignite a grid of Light that reconnects humanity with lost ancient knowledge? Before she can determine the answer, she must figure out whom she can trust, what is real...and what is not.From managing the corporate world to exploring new dimensional levels, Raquel Spencer has traveled an extraordinary path to a new understanding of the many

planes of existence. A graduate of California State University-Sacramento with a B.S. in Business, Spencer worked with Fortune 100 companies for more than twenty years. Her life profoundly shifted after waking from a five-week unexplained medical coma in 1985. The coma marked the beginning of her own personal awakening. In 2009 Spencer left the corporate world to become a full time metaphysical and spiritual teacher with clients throughout the world. She has been recognized by world renowned spiritual forerunners, North and South American shamans, Hindu priests and Tibetan Lamas alike as a key player in the advancement of human consciousness. Today, she teaches and supports a growing audience of metaphysicians, truth seekers and initiates worldwide through workshops, conferences, special events, private one-on-one sessions and small group journeys to sacred sites. Raquel writes: I have spent my life navigating between worlds. My personal experiences have assisted with developing a level of compassion, wisdom and the multidimensional understanding to be an effective Spiritual Teacher, Healer and Energetic Channel for our times. Insightful, compassionate, intuitive and with a great sense of humor, Spencers personality is down-to-earth even as she brings us into highly advanced levels of human potential. SHE TRAVELS LIGHT is her first novel this fast-paced story was written to inspire readers by expanding our knowledge of metaphysics, multiple and parallel dimensions and to move beyond our current perceptions of reality.
