Description :

Prsentation de l'diteurLife is looking up for Sabina Kane. The threat of war between the dark races seems to have passed, and her magic training is also progressing well - just like her relationship with the sexy mage Adam Lazarus. But as much as Sabina feels hopeful about the future, she doesn't quite trust that peace is possible . . .Her suspicions are confirmed when a string of sadistic murders threaten to stall peace talks between the vampires and the mages. Sabina pitches in to find the killer, but this dark investigation soon has her questioning everyone she thought she could trust. And the closer she gets to the killer, the more Sabina begins to suspect this is one foe she may not be able to kill.Revue de presse"When I read Jaye Wells, I see

yet another author on the cusp of something great. In my opinion, the potential is there for her to be the next coming of Laurell K. Hamilton and Kim Harrison."bn.com on The Mage in Black"Red-Headed Stepchild is action-packed suspense at its best. And urban fantasy doesn't get much better than this. Steeped in mystery, intrigue, and magic, this debut is one of the best I've read in months. Jaye Wells is a promising new talent."scifichick.com"Hold on tight -- a gritty new heroine has joined the pantheon of shoot-first, ask-questions-later protagonists."RT Booklovers on Red-Headed StepchildPresentation de l'diteurLife is looking up for Sabina Kane.
