## Description :

Prsentation de l'diteurFor Amanda Jacobs, dealing with the pain of losing her beloved Dad is the toughest thing she's ever gone through, and it comes with a lot of complications, as well - like taking over the family business, Mountain Ridge Outdoor Adventures. It makes her miss the simplicity of being a teenager, when she was surrounded by her amazing friends, The Fabulous Four, and she was madly in love with her Dad's right hand man, Justin Barnes. His sexy smiles and deep brown eyes had made her heart race in a way she's never felt before or since. When the Fabulous Four unexpectedly show up on her doorstep to support her through this complicated time, things seem to be looking up for Amanda. But that's not the only surprise

visit in store for her...Justin Barnes left Hope Falls ten years ago, in the dead of night, and didn't think he'd ever set foot there again. That was just fine with him, except for one little complication: Amanda Jacobs. He had fallen in love with her unruly blonde curls and sparkling sapphire eyes, but she had been a teenager then, five years younger than he - too young for him to act on his attraction. Still, he'd missed her every single day of those ten years. When Justin receives a phone call that his former mentor has passed away, he knows he has to return to Hope Falls. Justin just has one question - will the girl that once adored him have grown into a woman that can't stand him? Or will she still be the only thing in the world that feels like home?\*\*\*Author's

Originally from Northern California, they both migrated south and now call So Cal their home. Growing up, Melanie constantly had her head in a book and was always working on short stories, manuscripts, plays and poetry. After graduating magna cum laude from Pepperdine University, she went on to teach grades 2nd through 8th for five years. She now spends her days writing and taking care of her furry baby, a Lhasa Apso named Hercules. In her free time, her favorite activity is to curl up on the couch with that stubborn, funny mutt and binge-watch cable TV shows on DVD (preferably of at least eight seasons in length - a girl's gotta have her standards!). Shawna always loved romance in any form - movie, song or literary. If it was a love story with a happy ending, Shawna was all about it! She proudly acknowledges that she is a romanceaholic. Her days are jam-packed with writing, being a wife, mom aka referee of two teens, and indulging in her second passion (dance!) as a Zumba instructor. In the little free time she has, she joins Melanie in marathon-watching DVDs of their favorite TV programs. They have joined forces to create a world where True Love and Happily Ever After always has a Sexy Twist!
