Go to: [www.hyhanna.com/newsletter](http://www.hyhanna.com/newsletter) H. Y. Hanna is the award-winning author of a children's mystery series, and also writes mysteries, romances and romantic suspense for adults. After graduating from Oxford University, she tried her hand at a variety of jobs before returning to her first love: writing. Her books have spent time on the best-seller lists and she has also won awards for her novels, poetry, short stories and journalism. Hsin-Yi was born in Taiwan and has been globe-trotter most of her life - she grew up in Dubai, was schooled in the U.K. and U.S., and worked in the glamorous world of London advertising before emigrating Down Under. Along the way, she somehow managed to pick up a wonderful husband, an assortment of pets and a slightly dodgy "trans-atlantic" accent. She's a self-confessed hypochondriac, is terrified of cockroaches and thinks that everything tastes better with chilli added!
