Description :

Prsentation de l'diteurA classic work that has charmed generations of readers, this collection assembles Carson McCullerss best stories, including her beloved novella The Ballad of the Sad Caf. A haunting tale of a human triangle that culminates in an astonishing brawl, the novella introduces readers to Miss Amelia, a formidable southern woman whose caf serves as the towns gathering place. Among other fine works, the collection also includes Wunderkind, McCullerss first published story written when she was only seventeen about a musical prodigy who suddenly realizes she will not go on to become a great pianist. Newly reset and available for the first time in a handsome trade paperback edition, The Ballad of the Sad Caf is a brilliant

study of love and longing from one of the Souths finest writers.
