Description :

Prsentation de l'diteurFor fans of The Hunger Games and Xmen , who also enjoy original storylines!From the New York Times bestselling author of A Terrible Love, comes sci-fi meets dark paranormal romance, in a chilling collection of humans who possess extraordinary powers, and the government's covert efforts of exploitation and control. Death Praise:"....I have read all six books and can't wait for this final one to come out. Usually I don't read books about teens. However these are so much more and for all age groups. Some characters reminding me of my own children and grandchildren. These books take paranormal to a new level. Read all of them. Love this author..."- Nancy"....I have thoroughly enjoyed this series, so much so I have preordered the next book in the death series due out in September. Thanks to the author for entertaining

me..."- Jack Dodd"....This entire series is awesome. I'm glad I gave this series a shot... It has been truly amazing to follow the characters through this series. I have experienced happiness, shock, anger, sadness. It is a beautiful thing when a story can pull such emotion from the reader..."-TaraAnnG.DEATH

WHISPERS:Almost fifteen-year-old Caleb Hart is a Cadaver-Manipulator in the year 2025. When teens receive a government-sanctioned pharmaceutical cocktail during school, paranormal abilities begin manifesting... making the teens more powerful than the adults.After Caleb discovers he has the rare, Affinity for the Dead, he must do whatever it takes to hide it from a super-secret government agency whose goal is exploitation.Caleb seeks refuge in his new girlfriend, Jade, until he realizes that she needs as much protection from her family, as he does from the government.Suddenly, Caleb finds that hiding his ability while protecting Jade and his friends is a full time job; can he escape the government, protect Jade and lose the bullies that are making him miserable?DEATH SPEAKS:Caleb's in high school now and thinks the chaos of last year is behind him. Unfortunately, a serial killer is on the loose and children are his victims.

Caleb agrees to help the police apprehend the murderer...until the killer takes notice of Caleb and his paranormal friends.Carson and Brett remain the bullies they always were and their posse continues to grow.

How long can the two groups stay out of each others' way before there's a firestorm of retribution...The Government Graysheets continue to keep tabs on Caleb's every move while Jade's family threatens their relationship. Can they still be together even when events threaten to tear them apart?DEATH

INCEPTION:Kyle Ulysses Hart and his team of scientists mapped the human genome in the year 2010. As Brain Impulse Technology came online... so did the long arm of the United States government. A covert, military-driven regime was born with genetic manipulation the key to future widespread control.When pharmaceutical laboratories, funded by the Graysheets, discover a way to unlock paranormal potential through compulsive inoculation, their exploitative dream is realized.Clyde and Caleb's lives are predestined to intertwine as they cross paths, his history becoming Caleb's future.A lone teenager named Jeffrey Parker, falls prey when he manifests the rare, Affinity for the Dead.The Graysheets abandon all pretense of stewardship, ripping him from his family for their nefarious purposes.Can Jeffrey remain who he was destined to be in an environment exclusively built for mass control?Suggested reading order for The Death
