Description :

Prsentation de l'diteurShe's searching for the most important thing...Can she find it before it's too late?Armed with a mysterious ruby brooch and a duffel bag judiciously packed with modern conveniences, paramedic Kit MacKlenna swirls through time, appearing in 1852 on the Oregon Trail with only one goal in mind--find

her birth parents before their murderers do. A serendipitous meeting on a wagon train with sexy lawyer Cullen Montgomery, who resembles the ghost who has haunted her for years, just might set her off track. Her desire for secrecy collides with his pursuit of truth. If she can survive the dangerous journey and thwart his attempts to expose her as a fraud, she might uncover the identity of her birth parents and return home to reassemble the shambles of her life. As the journey continues westward, a mutual spark of attraction ignites and grows too strong to resist, forcing her to question what she truly wants. When disaster strikes, she must decide whether to stay in the past with her heart, or return to her home in the future--a place she believes she no longer belongs?
